Hi Katherine,

No confirmation yet but Jane's counterpart is Rogit Solantario. I have attached the memo here and welcome any edits you might have before 11 AM today.

Thanks

Patrick

Hi Max –

Thanks for your email. Hope your briefing with Jane went ok and your travel prep is going well.

I have updated the UK and EU papers and they are with Lisa at the moment. Mark also has the EU paper as I had a question for him as he attended the Administrator-EU commissioner meeting. My understanding is that Josh is working to add Japan bilat updates.

Please let us know if you hear more regarding a potential Indonesia meeting and with whom as well as any other potential bilateral meetings or pull asides. In terms of a meeting with Astrid, this is something Jane requested as she wanted to follow-up with Astrid from the recent Administrator-Commissioner meeting last month. I have been coordinating with Astrid's scheduler and bilateral staff (for a month now as we tried to have this discussion sooner) and am waiting to hear back from them as to who will be the on the ground POC for you to coordinate with regarding possible meeting timing. As soon as I get that information, I will connect you all.

Thanks again and hope the preparations go well.

Best,
Katherine

Hi Katherine,

Just to chime in, we've been notified by the G20 Indonesian Secretariat that bilateral rooms are not available on March 20th, only 21st-23rd 10am-6pm. Therefore, I changed my request for Jane to meet with EDM Chair Mr. Sigit Reliantoro (Secretary, Director General of Pollution and Environmental Damage Control, Ministry of Environment and Forestry) either during the EDM lunch break or at 5:30pm on Monday, March 21st. Waiting for confirmation.

I also followed up with the UK requesting 4pm on the 20th to meet (somewhere in the hotel) and waiting to hear confirmation.

That leaves EU for either 5pm on the 20th (somewhere in the hotel) or lunch break/5:30pm on the 21st (whichever option Indonesia doesn't choose). Will you please send me your EU point of contact's information? I'd like to connect with them before Jane and I depart on Friday.

Thank You,
Max

Katherine,

This is very helpful – thank you! I am attaching here the EU paper in static and SP and will send the UK and Japan papers over shortly. They will be very similar and please feel free to edit if you think necessary.

Thanks
Patrick

Thanks, Patrick for the update. We look forward to seeing the initial drafts of the G20-focused bilateral papers and will plan to add in some bilateral engagement content for the EU, UK, and Japan to help provide bilateral context for Jane. As you have noted the Indonesia meeting will be exclusively G20 focused, we are not currently planning to add further bilateral engagement language, however, you all have the memo Team prepared on bilateral engagement should Jane end up meeting with bilateral-focused MOEF colleagues. Please keep us posted on this as well as whether you all would like Team to check in with the Embassy here or folks in Jakarta on the meeting request. Who was being proposed as Jane's Indonesian counterpart for this meeting and did the proposal come from US Embassy or MOEF?

In terms of potential pull asides with France and Germany, given they will have a G20/G7 focus, I will provide just a few bullets on engagement (see below). As we do not know the counterparts or from which Ministry they represent, it is a bit hard to anticipate the messaging but here are some suggestions and please keep me posted as any meetings are set up as we can tweak or add as needed depending on the context.

Best,
Katherine

Katherine,

We spoke to Jane today and we will do bilat papers for EU, UK, Japan, and Indonesia. The papers will be heavily focused on G20 and G7 for all but Indonesia. The papers will use a modified format of the Administrator bilat paper. We are primarily looking for bilateral talking points that are not related to G20 and G7 and any background that would be useful. We do not expect that these papers will be done by today. We will get drafts into shape and send to you so you can populate. As for pull asides, we will have points Jane can use for her counterparts broadly and then specific points for countries that she may meet. This will be in a briefing paper format but with little background. Timing of all meetings is largely TBD and Max will coordinate on the ground.

I will send around the drafts to populate shortly and would ask for any points by 10AM Thursday, March 17. Let me know if there are any questions and if that works for you.

Thanks,
Patrick
